IT’S ART FAIR TIME AGAIN!

BY LYNNE LYNDRUP

It’s Cherokee Triangle Art Fair time again! Always the weekend before Derby, the 39th annual Art Fair will be held on April 24 and 25 this year. The Fair starts at 10:00 A.M. both days, beginning with Saturday’s “opening ceremony” with the Squallis Puppeteers leading our Children’s Parade. [More information about the Parade can be found on Page 8.] Artists’ booths as well as the Plant Booth and Association Booth close at 6:00 P.M. both days, but the music and brats and beer remain open for business until 8:00 on Saturday. We will have over 200 artist booths this year, running the length of Cherokee Parkway from the Castleman Statue to Willow Avenue.

The five chairs, Gary Barch, Stevie Finn (along with her assistant Antonia Lindauer), John Lisherness, Jerry Lyndrup and Jerry Grasch have been hard at work since December, beginning the long process of planning and organizing the many aspects of such a large undertaking. Booth chairs have been placing food, drink and merchandise orders and Tony Lindauer has been making arrangements for musicians during the two day event. [See Page 8 for the music schedule.] Y-Corps, a group of students from DuPont-Manual High School will be running the entertaining and popular Children’s Art Tent. Be sure to give your kids $3 each to enter the tent and have a ball! Albert the Potter and the Morris Dancers will be there to entertain young and old.

Parking spaces are at a premium during the Fair, especially since the 2100 – 2300 blocks of Cherokee Parkway and the 1300 blocks of Cherokee Road and Everett Avenue are “No Parking” zones from Friday morning until Sunday evening. A change in the Kentucky Derby Festival marathon route will allow residents to be able to get out of the neighborhood and those attending the Fair to enter the Fair “grounds” during the marathon. Please see the marathon article and map on Page 3] Caution to those who live in these zones, please move your cars early on Friday to prevent the police from towing your car. Those who live elsewhere in the Triangle may want to consider using garages or parking pads behind your house that weekend to allow those driving to the Fair a place to park on the street.

Because of insurance liability, there are certain safety rules the Cherokee Triangle Art Fair must post and request adherence from neighbors and visitors to our fair. Skateboarding or roller skating within the Fair boundaries will not be permitted. People who ride their bikes are asked to park them or walk them. The Fair is also pet free for safety reasons. We love our dogs, but must ask that they be left at home, for their safety as well as the safety of others.

Proceeds from the Fair support the community and many activities and organizations. In addition to supporting the operation of Cherokee Triangle Association, donations are made to many local organizations such as Highlands Community Ministries, the Louisville Free Public Library (Highlands – Shelby Park branch), the Olmsted Conservancy, Brightside and other preservation and non-profit organizations. The CTA sponsors the free Summer Concert Series on Tuesdays, May 11 & 18.

ARE YOU READY TO PARTY?

The Cherokee Triangle Association is excited to announce there will be a CTA cocktail party this spring. Rob and Kristin Townsend have agreed to open their home on Cherokee Parkway to members of the Cherokee Triangle Association. The party will be held on Saturday, May 22. More details, including cost and time of day, will be available on the CTA website, www.cherokeetriangletribe.org in the near future and an invitation via either snail or email (if known) will be sent. The CTA Board of Trustees thanks the Townsends for agreeing to open their newly renovated home for the party.

MESSAGE FROM CTA PRESIDENT

JOHN DOWNARD

Hopefully one day soon it will finally happen. Not just the calendar denotation of spring, but sunshine, warm breezes and buds on the trees. I believe we are all waiting for that famous Beatles verse, Here Comes the Sun. It can’t happen too soon.

Besides the sun, flowers and warmth, Spring also brings a number of important events to the Triangle. First there will be Spring cleaning and planting in Willow Park which will take place on March 20th. The Cherokee Triangle Association has adopted Willow Park in accordance with a program initiated by Department of Parks. The fall clean-up drew almost 30 volunteers; we’re hoping for more in March. Look for Amanda Hardaway’s article elsewhere in the Newsletter for further details.

I don’t need to say much about the upcoming Cherokee Triangle Art Fair, however, there is a new twist this year. The Art Fair Committee negotiated an arrangement with the Kentucky Derby Festival to alter the route of the Marathon which has hamstrung the Art Fair and the Triangle for the past several years. Although the new route brings the race into the neighborhood, it does provide the Triangle with better access and egress via Grinstead Drive.

For those of you who have joined the CTA or renewed their annual memberships, thank you very much. If you are not a member please consider joining. The dues are moderate, $20, and the cause is the best. Don’t take my word for it; check out our web site for more information, http://www.cherokeetriangle.org/. Lifetime memberships are the best deal of all.

As noted elsewhere in the newsletter, the CTA hosted a very enjoyable and convivial pot luck dinner in January starting at 5:30 PM. As always, we have an excellent group of artists lined up for the enjoyment of the CTA and our neighbors.

Mark your calendars and get ready for spring. It will be here soon, I promise!

MESSAGE FROM LOUISVILLE METRO COUNCILMAN FOR DISTRICT 8

TOM OWEN

First: Join me in celebrating “Front Porch Tuesday”! May 11, 2010 will be for the odd side of the street, May 18, 2010 for the even side of the street. Call my office at 574-1108 for more details.

Secondly: If you had a public transit line within a 5 minute walk of your house, why wouldn’t you use it—at least some of the time? Admittedly a good car plus free parking for a person who needs travel flexibility is a dynamite combination. “Owen must be some kind of Neanderthal nut to suggest otherwise,” I can hear you say.

Well, every good thing comes with a price. What if you don’t have a car? What if you don’t have free monthly parking? What if you hate to feed a park-

PLEASE CLEAN OUT THOSE DRAINAGE GRATES!

Those of you who live close to MSD water drainage grates must be aware of the backup of rain water that happens when the grates are matted with leaves and other debris. In some places the blocked drains create rivers that run down the curbing and in other places an entire intersection is under water. The alleys suffer from the same ailment. Please get out there and rake up those leaves and bag them to be picked up on yard waste day. The trash and other debris should be placed in your garbage cans. City street cleaning is not to gather up the leaves from the trees in your front yard. By the way, there is a city ordinance against raking leaves into the street and leaving them there. Bag them!

THE MARATHON VS. THE NEIGHBORHOOD

BY JERRY LYNDRUP

For the past eight years during the Saturday morning of Art Fair our neighborhood has been encircled (strangled according to my wife) by the Kentucky Derby Festival (KDF) marathon. Getting in or out of the neighborhood has proved to be a major challenge. Early attendance at the Art Fair has suffered ever since.

Art Fair organizers repeatedly attempted to persuade KDF to shift the Marathon race course away from the Triangle—to no avail. Their reasoning is that runners like to see nice neighborhoods and appreciate encouragement from marathon race fans. Finally last year we reached a compromise with KDF on a new course which winds through the heart of the Triangle. Referring to the attached course map, runners will turn right at the Boone Statue onto the 1400 block of Cherokee Road, with another right turn onto Willow Avenue. The runners will turn right again onto lower Cherokee Parkway, proceeding to Longest Avenue and up the hill to Cherokee Road, which will take them out of the Triangle at the Baxter/Broadway intersection. The last runners should pass that intersection by noon.

“No Parking Midnight Friday-1pm Saturday” signs will be posted and enforced along the entire race course. Cars parked along the route will be towed. Our artist vendors will be allowed to park on lower Cherokee Parkway and on the 1400 block of Cherokee Road.

While far from perfect, this new course will allow normal access to the I-64/Grinstead Drive intersection for a significant number of Triangle residents. Early fairgoers, as well as marathon race fans, will have much better access and parking. We hope these changes will boost Saturday morning attendance at the Fair as well as create a way for residents to exit the neighborhood should they need to get out during the morning hours.

Cherokee Triangle Association Newsletter
Statement of Purpose:

The mission of the Cherokee Triangle Newsletter is:

- To keep members informed of current issues directly affecting the Cherokee Triangle neighborhood, including residents’ responsibilities and benefits by reason of living in a historic preservation neighborhood,
- To inform members of the activities and identities of the Board of Trustees and to answer residents’ questions about those activities and respond to suggestions of residents,
- To provide a medium for news and views of the Triangle residents,
- And to provide information about opportunities to serve the neighborhood as volunteers and information about opportunities for residents to meet their neighbors.
FIRST ADOPT-A-PARK WORKDAY A SUCCESS

BY AMANDA HARDAYAW

Last November, a wonderful bunch of Cherokee Triangle neighbors gathered in Willow Park for the first Adopt-A-Park clean up day. Twenty-eight people attended, and in no time at all had succeeded in completing all of the tasks for the day. These included painting the metal on the benches, picnic tables, and fences, cleaning debris from the sidewalks and gutters surrounding the park, and much more. The volunteers also came up with many ideas for the spring cleaning.

The next clean up day in the park will occur March 20th from 9 AM until noon. This will be an opportunity to get the park ready and beautiful for the Art Fair, as well as for the rest of spring. Anyone interested in being included on the notification list for the upcoming Adopt-A-Park clean up days at Willow Park should send an email to hardaway.amanda@gmail.com.
ENVIRONMENT IS KEY TO COUPLE’S BUSINESS VENTURE

BY PEGGIE ELGIN

Respect for the environment and dedication to community is a fundamental part of the business model for a young Triangle couple who entered the coffee shop business together last May in four Java Brewing Company stores.

Relatively new to Louisville, Chris Lavenson, working in the import export business, was drawn to the Cherokee Triangle soon after he arrived in 2003. Shortly thereafter he met his future wife, Toni McDowell, a native of the area. It wasn’t long before they bought their first house in the neighborhood in 2004. They loved the neighbors and the neighborhood. Seeking a larger house with a garage, the Lavensons sold the first house and bought another Triangle home in 2006.

The couple decided they wanted to go into business together in their own community. “We came up with an idea together to start an environmentally friendly coffee company and stumbled upon the opportunity to get involved in the Java Brewing Company and really liked the feel and products that they had as well as the personal energy and decided to grow the business to the next level,” Chris says. “Our goal was to have a local business where we could interact with community every day. We can do everything we want right here.”

They bought four Java Brewing Company stores in a partnership with another local entrepreneur, Chuck Schattner. Three of the stores are in Louisville; on Frankfort Avenue in the Crescent Hill neighborhood, downtown on Main and on Fourth Street. The fourth store is located in Prospect and a fifth coffee shop is under construction on Brownsboro Road.

The original owners of the Java Brewing Company also live in the Cherokee Triangle, Mike and Medora Safai. “While no longer involved in the stores the Safai family is still in the coffee business, as roasters of the coffee beans that we sell,” says Chris.

They entered the business in May 2009 and Toni is full-time operator in all the stores. Both are in the shops every day.

Formerly a mental health professional Toni is now a barista, and “tries to touch every store every day if possible.” Each store is different. The store on Frankfort, for instance, offers live music on Thursday nights in the summer and has a sommelier on staff to recommend wine. They showcase local artists in each store. The idea of the home style look and feel was begun by the former owners. “We are trying to maintain and nourish the spirit that they started,” says Chris.

“We have created a space where everyone can find something that they enjoy. It can be a place for folks to study or unwind with a glass of wine,” says Toni. Customers vary from store to store. “The great thing about a coffee house is there are all walks of life, all educational levels, all ethnic and socio economic backgrounds,” says Chris. “I have always had an interest in the environment,” he adds. “We love coffee a lot but it does take a pretty heavy toll on the environment. There is a lot of transportation cost. We are finding ways to improve the supply chain and reduce the waste. Customers are asked, ‘do you want your coffee in a paper cup or a mug?’ “The city doesn’t offer recycling for businesses”, Toni notes. “Our employees gather all the recycling and drive

FOOD AND FUN FOR EVERYONE

BY GAIL MORRIS

The January 22, 2010 Mid-Winter Pot Luck Supper was deemed a huge success; a fun event for visiting with friends and neighbors, with variety built into the progressive culinary feast!

The evening began with the cocktail hour, hosted by Mark Thompson at Thompson Investment Advisors in the historic Carnegie Building at 1000 Cherokee Road. The party then moved across Highland Avenue to the impressive 966 Cherokee Road renovation, formerly the Charles P. Moorman Home for Women, known now as The Inverness. Entering the lovely foyer, guests were greeted with bar service set up in the expansive glass-enclosed hallway overlooking The Inverness courtyard. Guests then proceeded to the second floor to discover a wealth of pot luck offerings being served in the great room of an unfinished condominium featuring a restored bay window sitting area. Tony Stefater and Merrill Moter, developers of The Inverness, welcomed guests for after-dinner coffee and desserts in the furnished model unit. Mr. Stefater and Mr. Moter were pleased to have an opportunity to showcase The Inverness, especially since many of the evening’s attendees had not been in the building since its redevelopment. The evening’s final treat was an open house, graciously hosted by Sandy Gulick, who enjoyed entertaining those who toured her beautiful, art-filled condominium home.

The CTA appreciates the hospitality of the event hosts: Mark Thompson, Merrill Moter, Tony Stefater and Sandy Gulick. The CTA Membership Committee (John Fendig, Jim Gibson, John Downard, Lynne Lyndrup, Glen Elder and Gail Morris) was excited to sponsor this first wintertime social event for the neighborhood, and has high hopes for the Mid-Winter Pot Luck Supper becoming an annual affair.

ATTENTION: There were several serving items left behind from the supper. If anyone failed to take home a pan/serving utensil/dish, please contact Gail Morris at gmorris@downtowndev.org to arrange a pick up of the items.

it to a recycling station.” The stores also offer a delivery program where coffee is delivered to the customer’s house with a negative carbon footprint by delivering it in environmentally conscious ways by bicycle or by foot.

The store features locally roasted organic coffee. Other coffee shops also offer that type of product. They offer coffee in Louisville that is certified Fair Trade, organic and rain forest and bird friendly, says Chris. The stores use as many local suppliers as possible, Toni notes. “Sullivan students bake for us. Others supplying baked goods include Najla, Cake Flour and Steller Sweets. We want this to be a store that is about community. The last thing,” Toni notes, “is we have world-class folks that work with us. We prefer to say ‘with us’ instead of ‘for us.’ We don’t have our staff doing anything that we wouldn’t do.”

ART FAIR

Series held in Willow Park each year. We pay the musicians and pay for park use during the concerts. The CTA gave money to renovate the Willow Park restrooms and have pledged thousands of dollars toward park improvements outlined in the Willow Park Master Plan.

This fair is completely run by volunteers, which include both homeowners and renters in the Triangle, as well as friends from outside the Triangle boundaries. They help set up prior to the fair and clean up afterwards, serve drinks, make popcorn, and sell plants and CTA merchandise. Many of the volunteers are students who help to re-stock the Food Court and receive Community Service Certificates for their labors. The two-hour shifts are so easy and that some volunteers enjoy themselves so much, they work shifts at two or three different booths or “work a double”! Volunteering is also a great way to see your friends and make new ones. If you have not yet worked the fair, please feel free to call Jerry Lyndrup (451-3534) to learn what you can do to help. We need you and so does your neighborhood. But whether you work at the fair or not, we hope to see you there!

CHILDREN’S PARADE—SATURDAY, APRIL 24

What kid hasn’t wanted a horse or pony during one phase or another of her or his life? What about a rocking horse for that little one? This year’s Cherokee Triangle Art Fair annual kickoff Children’s Parade’s theme is in honor of the 2010 World Equestrian Games being held at the Kentucky Horse Park later this year. The date of the Parade is April 24.

The Games are not only comprised of riding, but also includes driving horses hitched to a carriage as well as six other forms of horse and rider disciplines. So get out that hobby horse or make your cardboard horse to “pull” your “carriage” and join the parade.

Participants should gather at the corner of Longest Avenue and Cherokee Road at around 9:45 AM to get organized. The Parade starts at 10:00 AM. follows Cherokee Road to the Castlemans Statue, then proceeds down Cherokee Parkway towards Willow Park and then back up the Parkway.

Should anyone want to help organize, coordinate or help in any other way, call Tonya Williams at 458-2753. She would love to hear from you and could certainly use some help.

CTA MEMBER EMAIL ADDRESSES WANTED

The office of the Cherokee Triangle Association has assembled email addresses from those members who volunteered that information on their membership forms. Those addresses were used to invite residents to the Pot Luck Supper held on January 22. [See article on Page 6] We plan to use this information to send out important notices from Louisville Metro Government and LMPD that are sent to the CTA president as well as upcoming Cherokee Triangle Association events such as Adopt-the-Park work days, alley clean-ups and cocktail parties.

Those of you who would like to be added to the list, please email the CTA office at cherokeetriangle@bellsouth.net. Because the Newsletter is published only four times a year, it oftentimes is not possible to get the word out for a potentially important or fun event in a timely fashion. The intention is not to inundate our residents with useless trivial notes, but to inform them of happenings or police warnings and advisories that cannot make it into the Newsletter. This list will not be given to any other organization.

CTA MEMBERSHIP DRIVE STILL GOING

BY LYNNE LYNDRUP

The Winter 2009 issue of the Cherokee Triangle Newsletter contained an article asking residents to complete their enclosed membership application form and send it in along with their dues. Several took advantage of an “early bird special” offered by the CTA.

As of this writing, nine residents benefited from the Lifetime special; seven availed themselves of the previous membership fee of $150 and two others paid the 2010 fee of $200 and received a copy of Cherokee Triangle, A History of the Heart of the Highlands coffee table book at no charge. This “special” stays in effect until April 1; become a Lifetime member at $200 and receive the history book at no charge – a $40 value.

There are approximately 2400 residences in the Triangle, including condos and apartments. The CTA hopes that you as a resident of the Cherokee Triangle will complete the form that came with that Newsletter or print the form from our web site and send it in with your check to renew your membership or become a new member of the CTA this year. Be a supporter of this great neighborhood in which you live. Show your support and appreciation for the efforts of your neighborhood association. Becoming a member does not in any way require one to become a volunteer. Let’s make 2010 a “bumper crop yield” in terms of memberships!
