

METRO HISTORIC LANDMARKS & PRESERVATION DISTRICTS COMMISSION

Standard Design Guidelines Update Meeting Dates

The updates to the Standard Design Guidelines have been officially adopted and are in effect! These guidelines are utilized to evaluate the Certificate of Appropriateness (COA) applications for proposed changes to the exterior of properties located in local preservation districts or properties that are designated Individual Landmarks.

We are hosting meetings to share the updates with you and answer any questions you may have. Please attend one that best fits your schedule.

The updated Standard Design Guidelines and COA application are available on our website (<https://louisvilleky.gov/government/planning-design/historic-preservation-on-urban-design>) and in our office (444 S. 5th Street, 3rd Floor).
